I have been a member of the RSL of Australia from the late sixties/early seventies.

Member of the RSL NSW late sixties to late nineties.

I transferred to Cairns RSL Sub Branch of the RSL in the late nineties.

Being elected a member of the committee for some years.

I moved my membership to the Edmonton RSL Sub Branch to increase the members of their Sub Branch. I was elected to the position of Vice President.

I moved to northern NSW in 2006 where I joined the Alstonville Sub Branch of the RSL in my time there I was elected to the position of Secretary and the delegate to District Council.

Other positions I have been elected to:

President of Legacy FNQ

Vice President Edmonton Sub Branch RSL

President Chapter XI of the 173rd Airborne Association

I believe that the years of experience and expertise in the RSL I would be an asset to the Board and Sub Branch.
