

BIO – Martin Keating

I am a married father of 4 Boys and I am a 23 year Cairns resident.

Military Service.

I served with the Army for 10 years as a regular soldier at 6RAR and 51 FNQR and 3 years as a reserve also at 51 FNQR. I attained the rank as a LCPL Vehicle Mechanic and was deployed to East Timor with 6RAR from April 2000 till October 2000.

My current employment.

I am currently employed with Energy Queensland as the Technical Procurement Supervisor and I manage a team who is responsible for the Procurement, Logistics and Inventory for Remote Embedded Generation (REG) is responsible for 33 remote from Boigu Island Power Station to Barcaldine Power station in the South West Qld. My team ensures Procurement, Logistics and Inventory Compliance to this business.

My interests.

I love travel, sports and recreation. I coach my sons U11 AFL team and Carin's AFL Representative teams. I have recently coached the U17 Girls team and the boys U13, U15 & U17 mixed fundamentals skill squads. I enjoy also travel, boating and camping.

My service has installed values which I apply to my daily life, mateship, teamwork and integrity.

It is my wish to give back to the returned service personal in any capacity I can, for your consideration.
