

Rob Lee Bio

Rob has been a member of the Cairns RSL Sub Branch for the past 12 years, 9 of which he has served on the board of directors.

Rob is a 16-year veteran of the Australian Army, Infantry, with operational deployments to Iraq, Afghanistan and Timor Leste.

Part of Rob's job as an RSL SB Director is to provide strategic management and direction to the allocation of resources to help promote the well-being, recovery, and rehabilitation of veterans. Rob is also responsible for the direction and management of the RSL's affairs, property, and funds, while adhering to the RSL's Constitution and State Branch Policies. Ensuring compliance with all governance requirements so the organisation can continue to provide support to veterans and their families.

The RSL SB board has faced many challenges, not least of all ensuring that the RSL has the foothold, funds, and personnel to support veteran needs. Maintaining the RSL SB presence involves working with each ex-veteran organisation to achieve our common goal of pursuing the well-being of all veterans.

At the moment, in my opinion, Under the direction of our President Nathan Shingles, The RSL SB is in the best position it has ever been to achieve our objectives. This is not an accident, this is due to the hard work of the President, all of our current directors, volunteers, and membership. Oh, also the thankless work that Lucy and Liz provide day to day.

There will be future challenges we will face as an organisation. With the help of your vote for me, Rob Lee, I intend to continue my service with the Cairns RSL Sub Branch.
